

ESTES VALLEY
LIBRARY

Volunteer Application

Volunteers are valuable partners in the the Library's Mission to bring people, ideas and opportunities together for our community. The Library proudly hosts one of the most well-established and successful volunteer programs in the Estes Valley. Library volunteers contribute more than 5,000 hours of valuable service annually.

Working under the supervision of staff, volunteers can be found in all departments of the Library. Some volunteers work in regular positions and others give their time to special programs or short-term projects.

Available volunteer postings are announced on our website: www.estesvalleylibrary.org. If there are no current postings, applications will be kept on file for a year from the date of the application.

Please e-mail your application to: volunteer@estesvalleylibrary.org or mail to: Volunteer Coordinator, Estes Valley Library, PO Box 1687, Estes Park, CO 80517.

Name _____ Tel #: _____ Relationship: _____

Emergency Contact

Name: _____ Ph #: _____

Relationship to applicant: _____

Agreement

Please read the following statement and mark the checkbox below:

I am interested in serving as a volunteer at the Estes Valley Library (the Library). I understand that the Library shall have no obligation to pay volunteers compensation or benefits, including but not limited to health insurance, pension benefits, or vacations. The Library shall not be obligated to cover volunteers with workers' compensation or other insurance coverage. I will hold the Library harmless should any unforeseen incident or circumstance occur while I am working as a volunteer. As a volunteer, I understand that I will have to complete a simple CBI (Colorado Bureau of Investigations) background check. I also give the Library permission to contact the references listed on my application. I understand that the Library may conclude services at any time.

Statement of Agreement: I have read and agree to the above statement and I testify that all information contained in this application is accurate.
