What You Do:

You work with the Library's Program & Outreach team to build targeted services for the district's immigrant residents. Using library resources, you are responsible for providing English Language Learning (ELL), citizenship, employment, public schooling, health and safety, social services, and any other topics immigrants need to participate successfully in American life.

Reporting to Program Services Supervisor, you'll collaborate with community partners such as Estes Park Schools, Larimer County Human Services, Faith-based organizations, dedicated volunteers, and other key stakeholders to deliver services and achieve results.
